## Oreo's Birthday

The Webkinz are preparing themselves for yet another birthday party. This time, Lulu and Stripes's son Oreo is having a birthday. "This will be the best birthday party ever." said Hector as he was hanging up decorations.

>"Yes it will. Speaking of which, where is the little birthday boy?" asked Bronta.<br>"He's with his parents at the arcade." said Snowball.

>"And they should be back in one hour." said Tabby.<p>

One hour later, the decorations were all hung and the birthday cake was made.

>"They're coming!" said Alley while looking at the window.<br>"Quick, hide!" said Jessica. Lulu, Stripes, and Oreo went in the house.

>"That's funny. I don't remember the lights being off when we left." said Stripes. Lulu turned on the lights.<br>"Surprise!" said everyone at the same time.

>"Oh, Oreo. Isn't this lovely? A surprise birthday party just for you." said Lulu.<br>"Happy birthday, son." said Stripes.

>"Thanks, guys." said Oreo as he hugged his 'aunts and uncles'.<br>"Well, what are you doing just standing around? There are presents waiting to be opened and a birthday cake waiting to be eaten." said Spark.

>"Alrighty." said Oreo. Everyone watched as Oreo enjoyed himself.<p>
